

Diversity Makes Rich

Youth Exchange

16th-25th October 2021

Bedsted, Denmark

Co-funded by the
Erasmus+ Programme
of the European Union

About the Project:

The youth exchange "**Diversity Makes Rich**"
brings together **42 participants**
from **6 different countries**

The project will focus on the inclusion and understanding of what it means to be a minority. We will discuss and learn more about the topic by using various non-formal learning methodologies.

We will become more aware of different struggles minorities are facing and we will learn how to help integrate everyone in the society.

Participating countries

Objectives:

- To be more culturally competent and understand the components of diversity in the European youth
- To have a better understanding of what it means to be a minority with the help of real-life personal stories and role-playing activities

- To foster the creativity, confidence and autonomy of minority populations, through interactive activities and workshops
- To develop and implement initiatives, events that will be able to promote integration of minorities in the European countries

Participants profile

We are looking for 5 young people aged 16-25 plus an additional group leader (18+) per country.

We are aiming to have a balanced gender participation from all countries and lots of motivated people.

If one or more of the participants are in need of extra support, please let us know in advance

Basic knowledge of English is going to be needed, as it will be the working language

Food

Food will be arranged 3 times a day (breakfast, lunch and dinner) and we will have a coffee break with snacks between sessions.

All food will be prepared according to the participants needs (allergies, intolerances etc.)
