finding people to answer the survey
No obstacles, everything is clear and is working well.
It was august and the people were on holiday, so we could not find many answers
- Survey participation not going very well - difficulties to reach people under 20

In your opinion, which was the most efficient way to publish the survey and get the answers?

we are all on our tasks and keeping deadlines

As I mentioned, we are very productive and efficient, talking on point and also encouraging cooperation.

The collection of the answere were lower than aspected

everybody fullfilled their tasks on time
