# BOOKLET

A stylized sun with rays is positioned at the top center. Abstract white and pink lines are scattered across the blue background, some resembling a hand-drawn sketch of a person or a path.

# PLAY THE WAY

was a 2-phase project about gamification of education.

This booklet contains over 20 games & activities created during this process. It is build through hypertext, easy and free to use for all type of educators and youth leaders.

The project was made possible thanks to the financial support of Erasmus+.
