What good practices are you taking home with you?

6 responses

creating of interview with focus group members

approaching art from cultural perspective

About focus group interviews

Just be calm as András and it will be okay

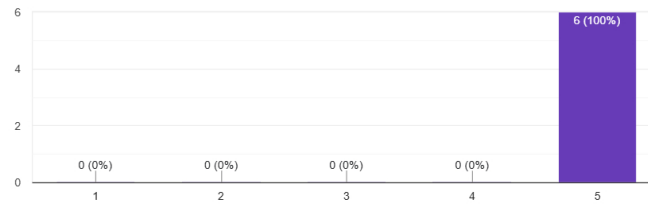

That I should not call art an art :D

previous focus group research results among youth, mobility mishaps, dealing with non-performing partners

What was the efficiency of the meeting?

Care to elaborate on your previous answers?

6 responses

perfect timeframe, clear communication and tasks

All agenda questions were covered

It was productive

Good. sometimes I was getting lost not knowing if what is being said is relevant but it was probably important

Well, we went quickly through all our tasks, so, yes.

:)

Was there anything you were missing?

6 responses

no

N/a

No

We could manage one more thing, don't know which one

Nope.

nothing. Well prepared, good collaboration

Any last words?
