Explain your previous answer

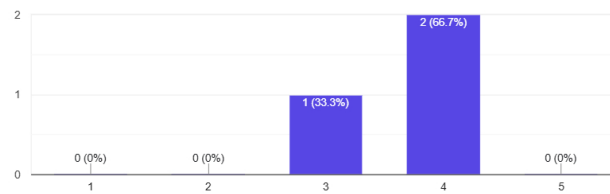

3 responses

- participants evaluated the training course very positively and that made me feeling satisfied but obviously there's always a way and room for improvement
- the trainers input were not that great, but when participants were taking over, it had quite nice quality
- Participants mostly reported being happy with the training and got their take aways from it

How is the dissemination going?

3 responses

- the dissemination event (workshop) is going to happen this afternoon and it is organised by all HU participants of the TC
- we are sharing the landing page, booklet, and in august, we are going to have a series of event connected to TC
- The event is being under the coordination of participants

What are your plans for the multiplier events?

3 responses

- involving perhaps a uni or local NGOs which can reach more participants
- none yet, but our event manager will be on it soon
- So far no specific plans were made, the planning will start in the autumn but the general idea is to invite the NGOs from the region for a one-day event
